

STATE HOSPITAL NORTH

State Hospital North is located in the small town of Orofino along the Lewis and Clark Trail. At only 1,000 feet elevation, the mild weather location offers year-round recreational opportunities. Good schools and low cost-of-living make this close-knit community a great place to live.

State Hospital North is a 55-bed psychiatric hospital that provides treatment for adults in psychiatric crisis. You will enjoy working with our friendly, dedicated and professional hospital team.

STATE HOSPITAL SOUTH

State Hospital South is located in Blackfoot, in beautiful south-east Idaho, which is the gateway to the Grand Tetons, Yellowstone National Park, Jackson Hole, WY, Salt Lake City, UT, Sun Valley and our beautiful capital city Boise. Southeast Idaho provides some of the best fishing, hunting and skiing in the nation.

State Hospital South is a 135 bed hospital which provides psychiatric inpatient treatment and skilled nursing care for adults and adolescents with the most serious and persistent mental illness. We are accredited by the Joint Commission and certified by the Center for Medicare and Medicaid Services.
